CATHERINE NELKEN

Partner

Admitted to the Paris Bar

CAREER PROFILE

Catherine Nelken has been working alongside international retail companies for 20 years at all stages of their establishment and development on the French market: negotiating leases for operating sites (shopping centres, retail parks) or logistics, working with supervisory authorities, advising on advertising and product promotion rules and monitoring commercial relations with suppliers.

Catherine also assists all economic stakeholders in the field of healthcare in their relations and in resolving conflicts (pharmaceutical laboratories, medical device manufacturers, healthcare establishments, subcontractors, doctors).

EDUCATION

Paris Nanterre University, 1985
