CAREER PROFILE

Anja Droege Gagnier has gained extensive experience over more than 25 years in international transactions (M&A, joint ventures, distressed M&A, corporate finance) as well as in restructurings of companies in various sectors: real estate, banking and insurance, printing, steel, aeronautics, automotive, nuclear, oil refining, gas, cogeneration, transport and logistics, infrastructure, life sciences, biotechnology, art, fashion and luxury goods. She has developed a French, German-speaking and international clientele including companies, funds, financial institutions and insolvency practitioners.

Anja Droege Gagnier assists foreign investors in takeover bids at Court. She advises lenders in complex financing scenarios (structured finance - infrastructure transactions) and assists them in negotiations with the borrower and public authorities. She has particular experience in preventive/pre-insolvency proceedings (ad hoc mandate/conciliation), often in the interest of shareholders and creditors (banks or suppliers).

Anja Droege Gagnier represents and assists executives in "post-bankruptcy" legal proceedings (abuse of corporate assets, bankruptcy, etc.). She is particularly skilled in cross-border insolvency scenarios in EU countries, Switzerland or the United States.
